Thanks. Gladstone is also pushing back on the media tour to 10/20 or 21 for same reasons. I was working on an email but keep getting interrupted.

Thank you

Nancy Grantham asked for a call with Paula, Rebecca, and me RE: NACO + Media Tour. GKMR LT proposed pushing media tour back until the 21st and limiting NACO to Gladstone, but we need to discuss with Nancy to make sure this works on her end. We plan to talk shortly RE options.

ALCON, I just talked with Nancy Grantham about Sen Bennett's request for a Mine Ops tour on 10/15. I stressed that a tour of ops at Gladstone only would be much more manageable; logistics taking a group to the mine adit are problematic and much more intrusive on operations. She got it and will pass that on.

There is also a media tour request that week for 5 pm, day still tbd, though OPA was thinking 10/15.

I know you prefer none of these events, but given a choice would it disrupt operations more to do both on one day (at different times) or different days?
